(GWP 5825-05-00)
Public Information Centre 1, October 3, 2006

COMMENT SHEET

Your comments will help us to understand what is important to people in the study area.

Please provide your comments on the following questions.
(Use the back of this sheet if you need more space.)

1. Tell us which evaluation criteria are important to you. Do you have other comments about the evaluation criteria or the evaluation process?

2. Which preliminary alternatives do you prefer and why?

3. Do you have any other comments or questions?

Please leave your completed Comment Sheet in the drop box provided, or submit **(before November 6, 2006)** to:
